

MR BHOLU SAINI

Fullstack Developer

3.5 Years Experience

ABOUT ME

Hi sir, I am Bholu. I finished my 12th in 2020 and joined WAP Institute in 2022 to learn MERN stack development.
In 2023, I got a remote job as a full-stack developer at Techsunset, Bengaluru, and I have been working there for the past 3.5 years.

I also completed my B.TECH in 2024.

HIRE ME !

You should hire me because

I have real product development experience.

I have built and maintained production applications, solved real-world problems, and worked with APIs, databases, scalability, and system design.

I can contribute from day one and take ownership of my work.
